## Superb Shorthorns

Once more I have had the obligation and the pleasure of inspecting the consignments for an Auglaize County Shorthorn Breeders' Association sale. They are for the sale to be held at Wapakoneta, Ohio, May 2, 1949.

It is remarkable how consistently and persistently the breeders who are members of this Association have improved their herds and hence their sale offerings throughout the thirty-three years. Of course, they are not all the same breeders who formed the Association more than thirty years ago. Some have died or moved away and others have taken their places. Improvement has been manifest year after year and this year the consignments rank with the best of any state or district sale in the Country.

All of these breeders are not residents of Auglaize County. Some of them live in other Ohio counties some distance away but they have been associated with this group of breeders for years and have been regular consignors to its sales. Influenced by the group as a whole, the individual members have bought better sires, have added superior foundation cows to their herds and have produced and are producing products that can go into the best herds with profit to their owners.

A study of this catalog will show that every animal is bred from the best of Shorthorn bloodlines. The many illustrations of cattle that are to be sold and of sires in the herds of the sellers, show them to be of strictly modern type, true breed character, rich color and excellent conformation. There is a large number from which to select, many with calves at foot, and I do not hesitate to recommend to anyone in want of truly high class Shorthorns, to attend this sale and to buy.

In this sale will be found the sort of cattle upon which successful herds are built. Come to see them. You will not be disappointed.

Ed Huff of The Shorthorn World

## 33rd Annual Sale

In this our 33rd sale we will sell 53 of the best cattle sold by any association in Ohio.

Included will be 13 cows with calves at side or due to calve by sale, bred to the best bulls money could buy and good young cows.

The 12 bred heifers are especially attractive, well bred individuals and carry the service of the best bulls in western Ohio. Seldom do you find as many really good bred heifers in any sale.

As to open heifers, they will be the best of any ever sold by this association, sired by such bulls as Watt Acres Prince, Rothes Royal, Commanders Prince, Broadhooks Leader, Maxwalton Mintmaster, Watt Acres Conqueror, Glastullich Eagle, Edellyn Royal Leader 18th, Edellyn Royal Leader 50th, Conners Browndale, Rothes Pride, Woodshade Count Leader, Woodshade First Leader, Conquerors Browndale. Many show prospects and just a good lot of heifers.

The 15 bulls, several of which are pictured in the catalog, are a splendid lot of good colors, good individuals, well bred, sired by real herd bulls and out of good cows, ready for service. The best ever sold by this association.

Every consignor to this sale has selected for his offering, cattle of which he feels proud. The kind that will improve the breed. As a whole they are superior to any offering heretofore made. Just come and you will not be disappointed.

**MAIL BIDS:**—Mail bids may be sent to Ed Huff of the Shorthorn World; Clint Thompson of the American Shorthorn Ass'n.; C. M. Hess, Ohio Livestock Journal or any of the auctioneers.

Lochmoor Rangefinder, a red bull by Edellyn Royal Leader 18th. He is the first calf out of a red heifer we raised which we refused to sell at a good figure, when she was a yearling calf. He is good enough to go to the best herds.

**EDELLYN ROYAL LEADER 18TH 2247147**

At Lochmoor Farm you will find one of the strongest Scotch Shorthorn herds. At the head of the herd is Edellyn Royal Leader 18th, a top son of the All-American Favorite, Edellyn Royal Leader 2057506, out of Elcona Emma by Calrossie Prince Peter (Imp.). Our greatest step forward in breeding Shorthorns was taken when we became a part owner of Imp. Pittodrie Upright, the sensational Perth Supreme Champion by Bapton Upright and out of a dam by Aldie Keystone. We will be looking for our first calves by him with keen interest.

Lawton's Defender is an extremely short legged calf by Willard Moser's popular herd bull Brawith Lawton. We purchased his dam as one of the top bred heifers in the '47 Ohio State Sale. His dam's full sister topped the Wapak sale at \$1175 a few years ago. Check the good bulls in his pedigree and you'll agree with me that here is a bull ready for service that should sire modern type cattle. We have a few heifers settled to him.

Lakeside Princess is a feminine well balanced daughter of Rothes Royal. Rothes Royal was the Reserve Grand Champion bull at the 1946 Ohio State Fair and is by the Perth Champion Royal Rothes. Lakeside Princess is a granddaughter of the Perth Champion Calrossie Prince Peter. This heifer's individuality and breeding make her the kind that can be depended upon in the breeding herd. The few daughters of Rothes Royal that have dropped calves are making wonderful breeding matrons. Vaccinated.
